

# Wish Granter

## Volunteer Opportunity

*Become a wish granter from any county in the state of Iowa to create hope, strength, and joy for children with critical illnesses.*

You will be partnered with a wish granter to meet with wish kids and their families to brainstorm ideas and help determine their wish

While Make-A-Wish Iowa staff is making these wishes a reality, wish granters will provide personalized items to celebrate the wish

Once wish planning is completed by Make-A-Wish Iowa staff, volunteers will help celebrate the child and the wish being granted

Email [volunteer@iowa.wish.org](mailto:volunteer@iowa.wish.org) to receive a volunteer application and to get started with the volunteer onboarding process!

Must be a minimum of 18-years-old
